PEOPLE IN A PANIC

Volcano In Costa Rica Causing Great Terror.

VILLAGERS IN FLIGHT

Port Limon, Costa Rica.—Villagers at the foot of the volcano Poas, now said to be in the most active eruption in its history, are fleeing for their lives. Streams of lava are flowing through fertile valleys, destroying towns and plantations. Rocks weighing 200 pounds have been hurled a distance of two miles from the crater. Villages within the zone reaching almost to the capital, San Jose, have been deserted by alarmed residents. In the towns of La Ocheria, five kilometers from the foot of the volcano, rocks weighing 100 pounds crashed through residences. There has been loss of life on plantations nearest the volcano. The volcano gave plenty of warning and before the eruption began the villagers were in flight. In Cobanilla the house-tops. Scientists have set out from San Jose to visit the volcano.

A constant stream of refugees is arriving at San Jose, the nearest large town, 20 miles to the southeast of the volcano. Juanillo, lying to the southwest of the mountain; Sarcodon to the northwest, and La Laguna, to the northeast, are threatened with destruction, according to advice received here.

Thousands of inhabitants have fled to the high ground in the surrounding country and many camps have been thrown up in the Sierra de Tilaran mountains, where the villages are also crowded with the terror-stricken refugees.

Slain By Brother-in-Law.

Nashville, Tenn.—At Double Springs, Sullivan county, Tenn., Will Roland shot and killed J. N. Hamby. Bad feeling had long existed between the men. It is said, Roland surrendered. The men were brothers-in-law, and farmers.

Surprising, What Kodol Will Do

For you, when you need it. But the longer you neglect indigestion, the more you will suffer before Kodol can restore Good Digestion.

And, of course, indigestion if neglected long enough, brings on serious diseases in which Kodol cannot benefit you. Some of these there is no help for at all.

There are, in fact, very few ailments which cannot be traced directly to impure blood. And impure blood is always due to a disordered stomach.

Use Kodol and prevent Nervous Dyspepsia.

Kodol will effectively assist Nature to secure a complete restoration of good digestion. It does this by at once digesting all food in the stomach and keeping it digested, until the stomach is rested and can resume its own work. Kodol removes the cause—and the effect quickly removes itself.

When it is recalled that Apoplexy, Heart Disease, Cancer—and even Consumption—are due to poor digestion and poisons thus transmitted to the blood, and throughout the system—the importance of maintaining good digestion is at once realized.

Go to your druggist today and get a bottle. Then after you have used the entire contents of the bottle if you can honestly say that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 24 times as much as the five-cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.

Are You Honest?

With your land when for the sake of saving a few dollars you use a fertilizer whose only recommendation is its analysis. It requires no special knowledge to mix materials to analyses. The value of a fertilizer lies in the materials used, so as not to over feed the plant at one time and starve at another. This is why Royster brands are so popular. Every ingredient has its particular work to do. Twenty-five years experience in making goods for Southern crops has enabled us to know what is required.

COFFEE DEMOCRATS ENDORSE KYLE E. PRICE.

The Following Resolutions Were Unanimously Passed By County Executive Committee.

Whereas, Hon. Kyle E. Price, of Coffee County, is a candidate for railroad Commissioner of Alabama, and

Whereas, Coffee County has never asked for a State office for any of its citizens, and

Whereas, we recognize in Hon. Kyle E. Price that fitness and ability that would enable him to discharge the duties of this office with credit to himself, and with fairness and satisfaction to all the people, and honor to his fellow citizens of coffee, and

Whereas, we feel a just pride and interest in his candidacy for this office, and desire his election to the same. Resolved:

1. That we heartily endorse the candidacy of our distinguished fellow citizen for Railroad Commissioner of Alabama.
2. That we recommend him to the people of Alabama as a worthy and honorable gentleman, and well qualified for the office to which he aspires.
3. That we respectfully petition and urge the people of Alabama to support and elect him as one of the Railroad Commissioners of Alabama.

Card From Mr. Johnson

There is a wide prevalence of pneumonia all over Alabama. Near the Pike and Coffee line there have been a large number of deaths lately from the dread disease.

Pneumonia is contagious. The best way to prevent it is to have well ventilated houses and school houses. Keep plenty of air circulating through your house. Keep the body in good, sound condition, and with plenty of fresh air you have nothing to fear.

A few minutes delay in treating some cases of croup, even for a length of time it takes to go for a doctor often proves dangerous. The safe way is to keep Chamberlain's Cough Remedy in the house, and at the first indication of croup give the child a dose. Pleasant to take and always cures. Sold by All Dealers.

Gov. W. D. Jelks, in may respects one of Alabama's greatest governors, and who was one of the leaders in the great anti-amendment conference comes out strongly for Col. Mallory. He says that as a patriot he cannot be other than for Mallory. He is a great man and always stands for what is best for Alabama, and his action will have wide-spread effect.

An attack of the grip is often followed by a persistent cough, which to many proves a great annoyance. Chamberlain's Cough Remedy has been extensively used and with good success for the relief and cure of this cough. Many cases have been cured after all other remedies had failed. Sold by All Dealers.

Pneumonia Raging.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be well again. Try it. For sale by All Dealers. Sample free.

govern the primary election to be held
May 2, 1910. My platform follows:

Schools—I shall support all measures
enabling the children to secure the
highest practical education.

Confederate Veterans—I will be as
liberal with the veterans as the finances
of the State permits.

Good Roads—I will use my best efforts
to enact laws which will improve the
highways of the State without unduly in-
creasing the burden of taxation.

Liquor Traffic—After giving the pro-
hibition laws a fair and impartial trial
and they prove to be failures, I shall
favor local option (on a population basis,
with the county as a unit where prac-
ticable) surrounded with such safe guards
as will not permit the return of the evils
that attended the old way of conducting
the liquor traffic.

Useless offices—I shall labor for the
repeal of all laws that provide for useless
offices.

Taxation—I shall labor for the adjust-
ment of taxation so that "all shall bear
their just share of the burden of govern-
ment."

In all other matters I shall be govern-
ed by the will of the people whom I
represent.

4 PAGES THIS ISSUE TWICE-A-WEEK. ONE DOLLAR A YEAR.

Hon. J. W. Kelsoe Announces.

In this issue of The Clipper appears the announcement of Hon. J. W. Kelsoe for Representative from Coffee County in the Legislature.

Mr. Kelsoe is one of our best known citizens, residing in beat 8. He is a fine farmer, had devoted much time to work for the advancement of the farming classes, and is an enthusiast for public education. As a trustee of the one of the best county schools in the county, as a state officer of the Farmers' Union, as a member of the County Board of Education, he has labored for the enhancement of school interest and for the betterment of school conditions.

Mr. Kelsoe is a speaker of charm and force, and his gift has been devoted to uplift movements. If elected to the legislature from Coffee he will be a creditable representative. He is popular and starts in the race with good support and will be a strong candidate.

S. P. Kennedy, of Calhoun County, For Associate Railroad Commissioner.

I am a candidate for Associate Railroad Commissioner, subject to the action of the Democratic Party, and I herein set out the qualifications that I believe to be sufficient to justify my becoming a candidate.

A DEMOCRAT.

I am a Democrat and have been from my majority, having served my party on all occasions, which fact is well known in my home County, and my candidacy is unanimously endorsed by my home County, and Congressional Democratic Executive Committees, embracing the Counties of Calhoun, Cleburne, Talladega, Shelby, Chilton and Dallas.

Section 248 of the Constitution of Alabama has conferred upon the Legislature the authority and obligation to regulate railroads, canals and rivers, and enjoined upon it the duty of promulgating reasonable and just freight and passenger tariffs, correcting abuses and preventing unjust discrimination. The Legislature, acting under this authority, has enacted various laws, the purpose of which are to carry out the duties laid upon it.

THE RAILROAD COMMISSION. Of these laws there are those creating a Railroad Commission vesting it with authority and power to do those things which the Constitution empowers the Legislature to do, and among these is the power to MAKE RATES. This is a great responsibility.

CITIZENS. Citizens of this State pay to the transportation companies thirty five million dollars annually, and it is but just to these consumers of transportation that they be properly protected from exorbitant rates and unjust discrimination. Indeed the very life of business is dependent thereon.

THE TRANSPORTATION COMPANIES. The transportation companies of this State, with a mileage of main line, second track and sidings of 6,000 miles, with a value of one hundred and fifty million dollars and a present annual gross earning capacity of thirty-five million dollars, are business interests of the State, second to none, and the protection of these interests is as vital to the citizens of the State as the protection of any other interest can possibly be.

THE PRICE. The welfare of these interests (the business interests purchasing transportation, and the railroad's selling transportation) is dependent upon a reasonable PRICE to be paid for such transportation.

THE RAILROAD COMMISSION NAMES THE PRICE. The Railroad Commission of Alabama names the price. This being true, I submit that the interests of both buyer and seller are best served if the Railroad Commission has a member who is familiar with RATE MAKING, and whose experience will be the very greatest advantage to the Commission in determining what are just and reasonable rates.

EXPERIENCE ESSENTIAL. All business enterprises needing the services of one to conduct its affairs seek a man of experience. Should not a Board of rate makers have at least one member who has knowledge and experience

Moody And Jelks Will Support Mallory.

Birmingham, Feb.—The State political situation took another turn today, showing that the late fight over the constitutional amendment can not be made on issue in the present campaign.

State Senator Moody, of Tuscaloosa, one of the strongest and most conservative men in the state and one who fought against the amendment came out for Hon. H. S. D. Mallory for Governor.

Ex-Governor Jelks, also a staunch anti-amendment, has come out openly for Mr. Mallory for Governor. He makes a statement in which he says that he is opposed to turning the State Government back over to the saloon regime, intimating that this would be the state of affairs if Mallory is not elected.

Other developments are expected soon. Meanwhile both the forces of Mr. Mallory and Mr. O'Neal are busy for their respective candidates.

A SQUARE DEAL. I have always advocated the proper and just control of common carriers, and if elected to the office to which I aspire, I believe that my experience, coupled with my ardent desire, will enable me to contribute largely in establishing a most cordial relationship between patron and carrier, which can only be done by showing to both what is justly due to each, and insisting most firmly upon dispensing this justice.

I shall be most grateful for your support.

Yours truly,
S. P. Kennedy.

NOTICE TO TEACHERS. By reference to section 1758 of the Code of Alabama it will be seen that unless teachers attend at least one of the three institutes in each scholastic year they forfeit one month's salary.

The next institute will be held at Elba 25th and 26th inst. It is sincerely hoped that every teacher in the county will attend. Teachers should be progressive enough to attend, not only the whole three in each year. Trustees should see that their teachers attend these educational meetings.

Prof. Wright, of Troy, will deliver the Friday night address. Prof. A. W. Tate, of Newton, has promised to be with the institute and take part in the discussions. Supt. Shark, of Cranshaw county is expected to be on hand.

Most sincerely,

Major Carlisle Announces. In this issue of The Clipper appears the announcement of Maj. T. J. Carlisle of Enterprise for Representative. Maj. Carlisle needs no introduction at our hands, being well known all over the county. He has in the past been a member of the legislature, and his ability gave him good standing there. He is an ex-confederate soldier, having served gallantly in the ranks and as an officer. He takes a live interest in the welfare of the old soldiers and window, and is a leader in the U. C. V. in Alabama. Maj. Carlisle devoted the years of his young manhood to service of his country first in the army and then in educational work; as long as his health would permit he was one of the State's best teachers, and thousands of the most useful of Alabama's men and women are former pupils of his.

Mrs. Boyd's Reception. One of the most pleasant and elegant social events of the season was the "good-bye" reception tendered Mesdames Jake and Edward Wise and Mrs. Dr. Ford by the Ladies Improvement Club and the Elba Thimble Guild at the beautiful home of Dr. W. P. Boyd on Wednesday afternoon of last week. Cards were sent to all the members of the two clubs and to many other ladies of town.

The guests began to arrive promptly at the appointed hour and were met by Miss Boyd, who was elegantly gowned in white crepe de chine and old point lace, and by her escorted to the reception line, where they were met by Mesdames E. Wise, M. K. Ford, J. Wise, S. W. Boyd, M. J. Lee, W. P. Boyd, and W. B. and F. P. Rainer.

From the reception hall the guests were carried to the dining room where punch and other light refreshments were served by Mrs. H. D. Boyd in black and white satin; and Mrs. Y. W. Rainer in white lingerie over blue taffeta. The punch table and dining room were decorated with purple and old gold, the decorations being most artistically arranged.

In the receiving line Mrs. J. Wise wore old rose satin; Mrs. E. Wise, navy blue satin; Mrs. Ford, Nile green satin; Mrs. S. W. Boyd, old rose cloth; Mrs. Lee, black taffeta; Mrs. N. W. Boyd, esprey sunshine silk; Mrs. W. B. Rainer, black taffeta; Mrs. F. P. Rainer, green satin; and Miss Alice Stark, who wore light blue dew drop silk, with purple and gold.

Among those present were Mesdames Garrett, Felder, Tatum, Law, Buck, Hutchison, Kendrick, Patrick, Bradley Stark, Urquhart, Bush, Perdue, A. V. Buck, Cunningham, Wright, Bowers, Logan, King, Kimmie, Misses Ada and Beta Law, Rainer, Logan, Flournoy, of Samson, and Flournoy, of Florida.

The attendance was decidedly the largest of the season and was a good indication of the popularity of the ladies in whose honor it was given.
